

Bar chart showing the number of genes per chromosome. The y-axis represents the number of genes (0 to 4000). The x-axis lists chromosomes 1 through 22. The number of genes for each chromosome is displayed above the corresponding bar.

Chromosome	Number of Genes
1	2478
2	1188
3	1805
4	1048
5	1005
6	1298
7	703
8	746
9	1010
10	517
11	579
12	2610
13	2130
14	1923
15	2280
16	2355
17	3536
18	1732
19	1991
20	2119
21	1567
22	1567
